

It's a new day

Attend a “Gathering for Good” in April!

StriveTogether has challenged HCI to raise \$70,000 in match funding by September 2021.

Community members from Faribault and Northfield will work with HCI to host a series of virtual fundraising events during the month of April 2021. Hosts will select a date/time in April that works best for them/their guests. Through these virtual events, HCI will improve awareness of its [programs and initiatives](#), and work to meet StriveTogether’s match challenge and raise unrestricted funds to sustain its 20+ youth-serving programs through 2022.

Guests who attend a virtual “Gathering for Good” will be asked to consider making a financial contribution. ***There is no minimum and no maximum gift required.*** It will be HCI’s job (with help from hosts) to inspire people to want to give. As much as anything, we want people to attend and learn more about the great programs in our community.

Key points

- Hosts will use a **Virtual Toolkit**, complete with a set of links to short videos about HCI programs, to help guests learn more about HCI
- Any individual/guest who gives **at least \$200** will receive a **Swag Bag** with HCI goodies
- HCI wants people to feel proud to support the organization!
